

TARDY POLICY

Students must be in their Homeroom, and in their assigned seat, by 8:00 AM. If a student arrives after 8:25 AM but before 9:00 AM, they will be recorded as Tardy to School. A student who arrives after 9:00 AM will be recorded as absent for the duration of time they are absent.

Students will receive a written Disciplinary Referral (write-up) when they have been tardy for the third time. Every three tardies to school will result in a write-up. Students will be disciplined according to the Board policy points system.
