

The New Generation Café

Welcome to the Pike County CTC “New Generation Café.”

The Café is operated by the students enrolled in the Culinary Arts Program. This is a TRAINING facility for our students. Your meal is “made to order” so if you do not have sufficient time, we ask that you not order from the menu. A daily buffet is provided for those in a “hurry.”

This is where our students learn “hands-on” the skills required to work in the restaurant industry. We will do our best to make your dining experience a pleasant one. Thank you in advance for your patience and understanding.
