STUDENT INFORMATION

Welcome

Welcome to the Pike County CTC! We are happy to have you as a student! The mission of Pike County CTC is to dedicate itself to instill in every one of its students the importance of the work ethic regardless of the diversity of the population—allowing the resulting graduates to become contributing members of society and to be ethical, honest and complete individuals. **While not in class, you will need to have a hall pass.**

SCHOOL DAY

The school day at the CTC begins at 8:00 a.m. A thirty minute lunch period is provided and lunch is available in the cafeteria. Every student will be provided a free breakfast and lunch. Breakfast is served daily until 8:25 a.m.

STUDENT FEES

Tools of the trade may be purchased by individual students at the completion of their program. **Vocational Certificates will be withheld at graduation until all financial responsibilities are paid in full.**

SCHOOL CLOSING/DELAYS

The Pike County CTC may, at times, be closed due to inclement weather or other reasons beyond the control of the district. An automated call system will be used to inform students of school closings or delays. **It is the student's responsibility to keep personal information current.**

STUDENT EMERGENCY MEDICAL AUTHORIZATION

Each student must have a completed Emergency Medical Form submitted before working in the lab. If a student does not have insurance coverage, responsibility must be assumed by the parent/guardian for medical care.

STUDENT MEDICATION

Any student who must take prescription medication while at school, including nebulizers, must contact Student Services. Students must have a physician's written statement to take the prescription medication during the day. Prescription and over-the-counter drugs must be kept in the Student Services Office. Failure to register prescription medications and over-the-counter medications with the Student Services Office will be considered possession of drugs. Nebulizers and EpiPens may be carried by the student after being registered with the Student Services Office. Parental authorization must also be provided if the student is a minor.

CREDITS

CTC students can earn seven credits per school year. Three credits are issued for lab, and one credit in each academic subject.

Students who fail a junior vocational program may not return to that program. They may choose another program or return to their home school.

TELEPHONE RULES/CALLS

A student phone is provided in the Student Services Office for emergency calls only. Students must be issued a phone pass by their instructor in order to use the student phone. Cafeteria monitors, hall monitors, and restroom monitors **will not** issue phone passes. Personal cell phones are to be used **ONLY** in the cafeteria during breakfast and lunch, and during that last five minutes of the school day. Cell phones used at other times are subject to confiscation and/or disciplinary action.

GRADUATION

A student will be eligible for graduation upon completion of home school requirements and upon satisfying state testing requirements. Students who successfully complete the CTC requirements will be issued a Program Certificate.

HOME SCHOOL ACTIVITIES

Students attending the CTC are encouraged to participate in athletic programs and extracurricular activities at their home school. Students must maintain a grade standing that is suitable to the home school to remain eligible.

Students attending the CTC will return to the home school for group meetings *by invitation only*. Only participants of an approved program will be allowed to return to home school activities.

Students are not allowed to return to their cars once they have entered the building without permission from their vocational instructor or an administrator.

All vehicles parked on campus must be registered and display a parking permit. Not displaying a parking permit will result in loss of parking/driving privileges and/or the vehicle being towed at the owner's expense.
